Rhymes and Fingerplays:

Fishy, Fishy, Fishy

Fish fish fishy fishy fish fish fish

There's millions of fishies in the ocean

Swimming around living happily

Different kinds and different species

All living in harmony

There are thin fish, fat fish

Have you seen a flat fish?

Thin fish, fat fish - yes, we've seen a flat fish!

Fish fish fishy fishy fish fish fish

Five Little Fish

Five little fishies, swimming in a pool

(Wiggle five fingers)

The first one said, "The pool is cool."

(Show one finger, then wrap arms around body)

The second one said, "The pool is deep."

(Show two fingers, then hands measure 'deep')

The third one said, "I want to sleep."

(Show three fingers, then rest head on hands)

The fourth one said, "Let's take a dip."

(Show four fingers, then hands 'dive' into water)

The fifth one said, "I spy a ship."

(Show five fingers, then form scope with hands to peer through)

Fisher boat comes,

(Form 'V' with fingers, then move hands away from body)

Line goes kersplash.
(Pretend to throw fishing line)

Away the five little fishies dash.
(Wiggle five fingers away)

Once I Caught a Fish Alive

One, two, three, four, five,
Once I caught a fish alive.
Six, seven, eight, nine, ten,
But, then I let it go again.
Why did you let it go? (shout)
Cause it bit my finger so! (grab finger)
Which finger did it bite? (shout)
This little finger on the right. (wiggle right pinky finger)

Activities:

Coloring or scissors practice: <http://www.projectsforpreschoolers.com/free-printables/fish-cut-outs.html>

Have the kids color each fish shape a different color, or lots of colors

Older kids can practice cutting them out

Paper Plate Fish to color practice gluing: <http://www.momontimeout.com/2012/06/summer-reading-adventure-week-2-rainbow/> or <http://www.naturallyeducational.com/2010/07/fish-craft-sea-ocean-creature-books/>

Premake the fish outline (unless the kids are older)

Let kids glue random pieces of paper or tissue paper to make the scales or they could paint or color them

Stick a googly eye on 😊
