Dinosaurs

Dinosaurs lived long ago.
And walked like this and that.
(*Stomp back and forth*)
Some were large.
(*Stretch arms apart*)
Some were small,
(*Squat down*)
Some liked water,
(*Swimming motion*)
Some had wings that flapped & flapped.
(*Flap arms*)
Some had long necks that stretched & stretched.
(*Put hand above head*)
The meanest, rudest one of all was ferocious
Tyrannosaurus Rex.

These were the dinosaurs of long ago.
Goodness gracious! Where did they go?
(*Shrugging motion*)

Move Like the Dinosaurs

Spread your arms, way out wide
Fly like Pteranodon, soar and glide
Bend to the floor, head down low
Move like Stegosaurus, long ago
Reach up tall, try to be
As tall as Apatosaurus eating on a tree
Using your claws, grumble and growl
Just like Tyrannosaurus on the prowl!

Songs:

The Dino Hokey

Sung to: "The Hokey Pokey"

You put your big claws in, you put your big claws out.
You put your big claws in, and you shake them all about.
You do the Dino Hokey and you turn yourself around. That's what it's all about! *ROAR!*

You put your big teeth in, you put your big teeth out.
You put your big teeth in, and you shake them all about. (*repeat chorus*)

You put your big tail in, you put your big tail out.
You put your big tail in, then you shake it to and fro. (*repeat chorus*)
