Little penguins black and white

On the ice, what a sight!

See them waddle, see them glide.

Watch them as they slip and slide.

Little penguins black and white

On the ice, what a sight!

Little penguins black and white

On the ice, what a sight!

See them dive in the water blue.

See them catch a fish or two.

Little penguins black and white

Encourage your children to pretend to be penguins and act out the song as you sing.

Taken from the website: www.preschoolexpress.com and used with permission.

I’m a Little Penguin (to the tune of I’m a Little Teapot)

I’m a little penguin black and white

I waddle to the left and I waddle to the right.

I cannot fly but I can swim,

So I waddle to the water

And jump right in!

Have you ever seen a penguin, a penguin, a penguin?

Have you ever seen a penguin that hiccups all day?

He HICCUPS and HICCUPS and HICCUPS and HICCUPS.

Have you ever seen a penguin that hiccups all day?

Have you ever seen a penguin, a penguin, a penguin?

Have you ever seen a penguin that hiccups all day?

He can’t STOP, he can’t STOP, he can’t STOP, he can’t STOP.

Have you ever seen a penguin that HICCUPS all day?

Activities:

Penguin Craft: Print penguins from <http://sunflowerstorytime.com/2016/01/12/penguinprintable/>
Make hats and scarves for the penguins and let the children dress them. Templates for scarves and hats can be found on the same website.

Walk like an Emperor Penguin : Have children use a plastic egg or bean bag and pretend to be Emperor Penguins protecting their eggs. Ask them to put their feet together with their “egg” on top, then try to walk with “egg,” then waddle and jump with their “egg.” This helps develop gross motor skills.
